SKILLS

- ❖ **HTML, CSS, Javascript (Intermediate)**
- ❖ **Python(Intermediate with Certification) , C ++**
- ❖ **React Js (Basic)**

EDUCATION

- ❖ Information And Technology| RK University
  *CGPA***:** *9.0 (Average) | (July '23 - July '24) | Still in College*

- ❖ XII (GSEB) | V.L. Gelani Vidhyabhavan (Babra)
  79.93 PR | 65 %   (May '23)

- ❖ X (GSEB) | Om vidhyalaya (Babra)
  96.00 PR | 92 %   (March '21)

ACADEMIC PROJECTS

- ❖ **File Management Mini Project Using Python**
  I developed a Python-based application that automates the organization of files within a designated folder (e.g., Downloads). The tool efficiently sorts files into specific folders based on their file type (e.g., PDFs, images, documents)

  Also available in Github repo

- ❖ **Spotify Clone (Learning Project)**
  For learning purpose I made spotify clone with only HTML , CSS , JavaScript (only Fronted)
